

Huawei ICT Competition 2024-2025 Middle East & Central Asia

01. Introduction

The Huawei ICT Competition for the Middle East and Central Asia, presented in partnership with UNESCO IITE (Institute for Information Technologies in Education), is dedicated to advancing digital learning and fostering collaboration between industry and education. This annual global ICT talent exchange event is specifically designed for students, offering a prestigious platform to showcase their talents and gain worldwide recognition for their achievements. We invite all students, along with Huawei ICT Academies, universities, colleges, and educational institutions from the Middle East and Central Asia to participate in the 2024–2025 ICT Competition.

This Competition will be held at 3 levels; National, Regional and Global. Regional and Global Awards Ceremonies will be held on-site.
