## INTRO

I'm Abdul Hadi and hail from District Sherani Balochistan. Got my primary education from Zhob Balochistan and done B.A (Bachelor of Arts) from Model Town Collage Lahore in 2017.

## STUDYING MEDIA STUDIES

The reason for joining Media Studies Department after my writing skills acknowledged by teachers my writing skills by teachers back in 2016/17 in Lahore. So I joined Media Studies Department for gaining the skills of video production, camera techniques and all the requirements that is needed for a modern days journalist.

## FUTURE PLANS

To work for international channels, magazines and newspaper as a feature writer and reporter. (BBC, VOA, DW, Washington Post) To start an online newspaper and a website which will produce content regarding Balochistan and CPEC (China Pakistan Economic Corridor).

## ACHIEVEMENTS

I have worked on a story for an International Magazine named "The Diplomat". My story "The Coal Miners Dying in Balochistan" was published this year in February. I'm contributing as a feature writer to Balochistan Point, Haalawal.com and LR News (Live Rostrum News Agency Karachi). Own Balochistan Media Network, (a Facebook Page and Twitter handle) where I have produced around 25 public service messages, video packages, and audio documentaries along with my team members and their efforts. Deputy Commissioner Zhob took notice of a video package that was produced by me on the sufferings of nomadic family living near Zhob River.
