**Dr. Mia Sohail Insha**(In Charge of Leprosy Ward Govt. Lady Reading Hospital, Peshawar)

**Abstract:**

*This paper unpacks a comprehensive historical account of the Pashto language and literature. It traces back the very initial periods of the construction of literary genres and languages and also takes the reader to imagine the evolution of Pashto language and literature as complementary factors. The writer has used authentic references for supporting his main argument of the paper.*

**Key words:** Pashto language, Literature, complementary factors, initial periods.
