**Abstract:**

*This research paper is going to unfold some outstanding revelations and also nullifies the myths pertaining to the life, mystic notions and practices of the reckoned saint and mystic scholar Mian Abdul Hakim. This historical figure has influenced thousands of people through his pious practices. The migration of Mian sab from Kandahar is assumed as a political tactic from Shah Hussain the king of Afghanistan. This paper is going to present a different perspective of his migration. It also reveals that, Mian sab had met Rahman Baba, the reckoned classical mystic poet of 17<sup>th</sup> century and had also exchanged his views and knowledge on certain themes pertaining to spirituality.*

**Key words:** Mian Abdul Hakim, classical mystic poet, Rehman Baba, 17<sup>th</sup> century, migration.
