### **Abstract:**

*Literature of all times unfolds collective consciousness of its society. It helps us to unpack the specific events, occurrences, trends, fashion, diction and even the daily life business of that particular historical era. Traditional societies have its innate spiritualism; therefore one can easily find its footprints in the folk and written poetry. Khushal Khan Khattak, the legendary Pashtoon poet has described about several known and unknown mystics of his time. This paper is going to through light on some of the mystic personalities that are not very well known in the larger spheres of Pashtoon societies in the different regions.*

**Key words:** Pashto Literature, Khushal Khan Khattak, Poetry, Mystic personalities.
