Abstract:

Researchers are of the view that folk poetry is the Primitive form of any literature. Similarly tappa, a genre Pashto folk poetry, is considered the very first genre of Pashto literature. It is also believed that tappa is very similar to Aryan's poems. As Pashtuns are also believed to be Aryans, hence their cultural values and tradition also seem to have roots in Aryan's period. The writer of this paper investigates the assorted aspects of Pashtun's life in Tappa.

Key words: folk poetry, Pashto, Tappa, Pashtun's life, Aryans.
