Abstract:

Abdul Hameed Mohmand is one of the famous and remarkable poet of the poets triangle i.e. Khushal Khan Khattak, Abdurahman Baba and Hameed Baba are the trend setter of Hindi Subak and Pashto romantic poetry. Hameed Baba gave new style and new dimension to the poetry. It is just a miracle that a man born in the desert of Pashtunkhwa became the founder of Pashto romantic poetry hundreds years ago he gave new ideas and new touch to the Pashto ghazal. He also contributed to the structure of the Pashto language. We can find a large number of new words especially in compounds. New words make language reach and powerful and Abdul Hameed Mohmand gave such kind of compounds to the language. In this article I have discussed the remarkable part of our grate classic poet and also discussed the types of compounds.

Key words: abdul hameed momand, poet, hindi sabk, Pashto, ghazal.
