

A Study of the Children Literature (prose) in the Southern Pashtoon Khwa

Kafeel Qurban (M.Phil. Scholar, Department of Pashto, UOB, Quetta)

Abstract:

Literature for children plays pivotal role in their lives hence developed nations focus to produce much literature for new generation. Plethora of films, dramas, and stories are produced in order to accelerate their mental growth. Although Pashtoon writers have also written many stories about children yet it needs much concentration. Whereas, in Southern Pashtoon Khwa, literature for children has not been paid any attention. Less number of the writers either compiled stories or translated from other languages. The authors of this paper strive to unfold assorted aspect of this said literature and draw attention of the writers and quarters concerned regarding the significance of the cited literature.

Key words: Pashto, Children literature, Southern Pashtoon Khwa.
