

**A Critical Analysis of Different Theories Regarding Geneses of Language**  
**د ژبې د پيداوونست په حقله د مختلفو نظرياتو څېړنه**

**Dr. Bushra Khatoon** (Junior Research Specialist, Pashto Academy, University of Peshawar)

**Abstract:**

*Since Linguistics is the study of Language, it is imperative for a linguist to know what language is?. Language is a unique possession of man. It is God, special gift to mankind. Language is a very complex human phenomenon. There are many theories about the origin of language. This paper is an attempt to present a sketch of these theories.*

**Key words:** critical analysis, language, sunnah, scholastic, theories English.
