### **Abstract:**

*Fictional writings particularly the folkloric tales reflect the customs and rites of a society with the special reference of tribal societies. As pashtuns constitutes one of the largest societies of the world, their values could be traced in folkloric accounts. Author of this paper has extensively carried out research regarding the values and traditions of pashtuns in the light of the Milli Hindarah. He has also discussed its assorted aspects.*

**Key words:** Pashtun tradition, values, Milli Hindara, folkloric tales.
